the bektashi dervish order is a sufi alevite sect found in anatolia and the balkans with a strong presence in albania in this his final book robert elsie analyses the albanian bektashi and considers their role in the country s history and society although much has been written on the bektashi in turkey little has appeared on the albanian branch of the sect robert elsie considers the history and culture of the bektashi analyses writings on the order by early travellers to the region such as margaret hasluck and sir arthur evans and provides a comprehensive list of tekkes convents and türbes shrines in albania and neighbouring countries finally he presents a catalogue of notable albanian bektashi figures in history and legend this book provides a complete reference guide to the bektashi in albania which will be essential reading for scholars of the balkans islamic sects and albanian history and culture

modern balkan history has traditionally been studied by national historians in terms of separate national histories taking place within bounded state territories the authors in this volume take a different approach they all seek to treat the modern history of the region from a transnational and relational perspective in terms of shared and connected as well as entangled histories transfers and crossings this goes along with an interest in the way ideas institutions and techniques were selected transferred and

adapted to balkan conditions and how they interacted with those conditions the volume also invites reflection on the interacting entities in the very process of their creation and consecutive transformations rather than taking them as givens contributors include alexander vezenkov constantin iordachi raymond detrez ronelle alexander roumen daskalov and tchavdar marinov
